

**Why choose
Craft-Art
Countertops?**

Waterproof

Finished with a penetrating waterproof oil
Durable even in areas exposed to moisture.

Stain Resistant

Resistant to red wine, mustard, and other substances that usually stain.

Heat Resistant

Tested with cookware directly from a stove burner and the oven.

Scratch Resistant

Hard and durable enough for everyday use.

Food Safe

Suitable for food preparation surfaces
Finished with an organic tung oil listed by the FDA as food-safe when dry.

Easy to Maintain

Easily re-oiled every 12 to 48 months, depending on level of use. Simple to clean and disinfect with a vinegar/water solution.

Long Lasting Beauty

Showpiece quality with high investment value
Contemporary to traditional, timeless look which never goes out of style.
